*Kingston, NY (March 4, 2021)* – Ulster County Comptroller March Gallagher announces the appointment of a new staff member in the Comptroller's Office.

Comptroller Gallagher has appointed Alicia DeMarco to the position of Deputy Comptroller. Ms. DeMarco is a Certified Public Accountant and has more than ten years of accounting experience. She has a passion for internal auditing within the public sector and brings both private and municipal experience to the Office.

"Alicia DeMarco brings both professional certification as a CPA as well as strong county audit experience. During my first year as Comptroller I found myself reviewing her previous work in our files and I was impressed. We advertised and interviewed widely for the position and Alicia was by far the strongest candidate," stated Comptroller Gallagher. "She brings smarts, acuity, and determination, but in addition to all those qualities, she is deeply supportive of our mission as stewards of public resources."
