## **Ulster County Comptroller Expands Real Property Tax Audit to Include Properties of Interest**

Kingston, NY (April 25, 2022) – Based on risk assessment and after several months of preparation, on March 29, 2022, the Office of the Ulster County Comptroller launched an audit of the real property tax collection process.

In light of questions raised last week on the tax status of 701 Grant Avenue, Town of Ulster, the Comptroller's Office has expanded our information requests to include details surrounding the real property taxes of 701 Grant Avenue, and other properties of interest.

The Comptroller's Office looks forward to working with the Executive and the Legislature to improve transparency and accountability on behalf of the taxpayers of Ulster County.
